

## METHODIST TO DEDICATE CHURCH

### NEW FORD FOR 1941 WILL BE HERE FRIDAY

The new Ford for 1941 which has already received the most enthusiastic acclaim of dealers throughout the nation yet accorded any new model, will be shown by the Hefley-Stedman Motor Company Friday, September 27th.

The show rooms of the local dealers will be prepared to receive and entertain a large number of guests during the day and the dealers extend to you a cordial invitation.

H. H. Stedman returned early this week from a gathering of dealers held in the Rice Hotel, Houston. Mr. Stedman said the new car gave the dealers the biggest thrill in recent years and the reception was one of great enthusiasm for the new model.

The new Ford incorporates many changes, notably an increase in size. Designers have taken advantage of the increased wheel base which makes it a bigger car and Ford engineers have overlooked nothing from bigger tires to luxury seat cushions and new softer springs for better riding comfort.

The front seat of the sedan is 7 inches wider than last year. The head room is greater and the window area is larger. Running boards have practically disappeared from sight due to the width of the new bodies. The 85 horsepower V-8 engine is still unique as it is the only 8 cylinder car in the low priced field.

In addition to the beauty of the new car Ford engineers have emphasized riding comfort and this feature constitutes one of the major improvements in the 1941 Ford.

The new Ford has big 12 inch hydraulic brakes and other new improvements to make the new car stand out as one of the nation's all time fine cars.

These new cars will be shown here Friday and the reception is expected to be most enthusiastic.

### Gaither Home is Purchased by Rush A. Thomas

The W. E. Gaither home, located in the exclusive Country Club addition of the City of Cameron has been purchased by Mr. and Mrs. Rush A. Thomas.

The Gaither home is one of the more modern palatial types to be built in Cameron within recent years and marked a new era in home building. It is two-story and overlooks the Country Club Lake.

Mr. and Mrs. Gaither moved to Cameron several years ago from Rockdale. He has continued to maintain his business interests in Rockdale.

The purchase price was not stated.

### JAPS DEFY AMERICA IN INDO-CHINA GRAB

The United States may attempt an eleventh hour stay of Japanese occupation of Indo-China.

Speculation found two possible courses of action, neither of which puts a club in the hands of Uncle Sam as a policeman in the far east.

One is an embargo on vital raw materials to Japan and the other is to obtain a promise that troops will be moved through Indo-China without resulting permanent occupation of the rich province.

President Roosevelt was receiving another honorary degree at the University of Pennsylvania and was due to speak at 2 p. m.

Japan has sent an ultimatum to France which expires Sunday. The ultimatum demands invasion rights in Indo-China.

### 110 ALIENS REGISTERED

One hundred and ten aliens have been registered at the Federal Building it was reported today by Joe Matula. Fifty registered Saturday and the same number are expected to register each day, but due to the shortage of blanks registration can not continue. It is estimated that approximately one thousand aliens

### YOEMEN MAY RISE TO SUPREME HEIGHTS

The Yoemen face their second and probably most severe test of the season when they meet the Caldwell Hornets here Friday night.

The Yoemen lost a heart breaker to McGregor 12-0 but demonstrated that they can win if luck and the breaks are in their favor.

Caldwell lost to Rockdale 19-6 on last Friday night in Caldwell. The score does not indicate the real strength of the Caldwell team because the Hornets had the Tigers 6-0 until the last quarter. Caldwell has another strong team this year, and won their district and regional in 1939.

Coach Wood has repaired all damage in so far as possible and those on the injured list following the McGregor game are back in the lineup and ready to go. Bobbie Hays, quarter back, suffered a broken nose in the first quarter of the game at McGregor. Gooch, Salach and Cobb were all injured but are now ready to go.

Based on the strength of the teams, it appears logical to say that Caldwell will win but the Yoemen are picked again for their showing in McGregor is bound to give them victory somewhere along the line this season. They will be playing at home and deserve to win because of the brand of football they are playing.

Caldwell will bring a large delegation of fans to the city and Cameron fans should turn out in large numbers. It will be one of the best games of the year.

### Bob H. Nabours Now in Montreal; Will Go to England

Bob H. Nabours, son of Mr. and Mrs. Homer Nabours is in Montreal, Canada, on his way to the British Isles as an enlisted man in the Canadian Air Force and a radio operator.

In a letter from New York City he writes as follows: "I really like this town. I should be in England by now but there is a tie up due to the British not knowing whether or not I am a spy. If the present regulations are changed I will be in line for big money, \$600 or more per month. I am going to Boston on a ship tonight and from there to Montreal."

The letter was dated Sept. 17. On Friday night Bob H. called from Montreal by long distance telephone. He required three letters of identification: One from Judge Jeff T. Kemp; one from H. H. Hickmann of College Station, a recent employer of Nabours; and one from E. A. Perrin, superintendent of schools.

The identifications have been dispatched and Bob H. hopes soon to be in England for service in the British air force.

### Cameron Young Man Called to Diplomatic Service of Country

Ernest Sharpe has been notified by Congressman Linden B. Johnson of the Austin District of his selection for a Clerkship in the Foreign Diplomatic Service of the United States government.

Mr. Sharpe is the son of Mr. and Mrs. R. E. Sharpe of Cameron and a graduate of the University of Texas in the school of journalism. He made Phi Beta Kappa, the highest scholastic fraternity in the world, and was a distinguished student in every way at the university. He is a graduate of Yoe High School.

Mr. Sharpe will leave on October 20th for Washington where he will enter the training service of the Diplomatic Corps, preparatory to assuming duties abroad.

He will visit his mother and father in Cameron before leaving for Washington.

Mr. Sharpe is one of the most distinguished students to leave Cameron for college and this is a just tribute to his talent.

### Ray Weiss of College Station is

visiting friends here.

### LINE PLAY FEATURES YOE LOSS TO Mcgregor

A rugged Yoemen line with spirit flaming more brilliant than the bright red jerseys that covered their backs, saved something from the wreckage to be remembered Friday night as the team lost to the McGregor Bulldogs 12 to 0.

Coach Lloyd Mitchell's bruising backs led by Cook pounded away for four quarters at the Yoemen and were thrown back twice in the shadow of the goal. Once in the third quarter on a sustained drive from their own 20 yard line aided by a long pass, McGregor was able to score from the two yard line on third down.

The first half saw the Yoemen battling on even terms despite a heart breaker that came in the third quarter. Bobby Hays sparking the Yoemen attack got his team down to the 20 yard line. Red Bell took a relayed ball from close quarter and raced through center to the five yard line where he was caught by the Bulldog safety man. On the next play Bell took the ball over McGregor's left tackle and fumbled as he stretched across the goal. McGregor kicked out but the Yoemen were back again in the few minutes left in the quarter but the attack bogged down.

McGregor featured the game with brilliant punting that kept the Yoemen, especially in the last half, in the shadow of their own goal.

McGregor's second score came on the oldest sucker play of the game. The Bulldogs had the ball in the Yoemen 30. Jones, right end for McGregor from a spread formation

### JAPAN THREATENS WAR ON BRITAIN

An embargo on scrap iron to Japan was imposed by President Roosevelt today at a cabinet meeting in Washington.

Action against Japan was taken in retaliation for Japanese invasion of Indo-China and flaunting the Far Eastern policy of the United States.

Vice President John N. Garner was informed of the embargo when he called President Roosevelt after he had reached Washington.

The Vice President advised Mr. Roosevelt that Congress should be able to adjourn within a week.

Next to an embargo on oil, it is said the embargo on scrap iron is the most severe measure that can be taken against Japan short of a declaration of war.

In London the Japanese ambassador warned the British that if the United States fleet occupies Singapore it will force Japan to form a military alliance with Germany. Japan is expected to enter the war against England on the side of Germany and Italy.

Action of the United States is regarded by many as far short of reprisals due the Japanese for their aggression in Indo-China.

The French have been forced to abandon their fight for Indo-China and firing has ceased, indicating that Japan will seize the entire rich province.

For five and one-half hours the British have subjected Berlin to the most severe bombardment of the war. Great damage is said to have resulted from this bombing. The British are also bombing with great intensity Italian bases in Egypt.

German attempts to bomb London have been thrust back, according to information reaching the Daily Herald.

Mr. and Mrs. John C. Young of Cleburne, are visiting his brother Albert Young, Jr., and wife. Mr. Young for many years was manager of the Texas Power & Light Co., and have many friends here who are glad to welcome their return visit.

### Mr. and Mrs. Carl Bohot of Gid

dings were visitors Sunday in the home of Mr. and Mrs. Charles Brady.

### To Dedicate Church

BISHOP A. FRANK SMITH

### Freedom of Church From Debt Is Tribute To Rev. John W. Mills

Dedication here Sunday night of First Methodist Church, now free of debt will be something of a milestone in the progress of the community and a signal tribute to Rev. John W. Mills, pastor.

Cameron is thinking today in terms of appreciation for Rev. Mills. While his accomplishment in lifting the church debt is a contribution of vast significance to the church and its membership, the citizenship at large have faith in the sincerity of the man and the spirit of the Good Neighbor that has characterized his brief residence here.

Rev. Mills became pastor in 1939. He soon visualized a debt free church and liberation from handicaps such a condition produced. His members like him. They liked him from the start and co-operated. The debt drive started early this spring. Bonds were printed and sold. The response was full and complete. It was a new day for the church and the Pastor became a leader with the co-operation of all members.

When the church is dedicated Sunday night, major credit must be given the members who built and who have sustained it through the years and made it a great church. Along with this just tribute to the faithful membership will go a big hand for the much appreciated John Mills. He's a real citizen and a credit to the faith he represents.

### NAMED ON COMMITTEE

Mrs. John T. Portele of Marlin, has been recently named a new member of the State Democratic Committee. She is the first woman from Falls county to be named and second woman to serve for the thirteenth Senatorial District.

Mrs. Portele before her marriage was Miss Amelia Manneth and for several years made her home in Cameron with her parents who lived here before going to Marlin. She has many friends here who are pleased at her recent honors. She expects to make a visit to Cameron in the near future.

### BIG APPLE

The largest apple ever grown in this section of Texas came to the publisher of the Herald today from Mrs. Ben Boedeker.

This apple measures 12 1-2 inches in circumference and weighs almost 1 pound. It is from a young tree and one of 15 apples grown this year. It is of a delicious variety.

Mrs. Boedeker has been very successful in growing apples as well as many other fruits at her beautiful home in Cameron.

The Herald appreciates this consideration and congratulates Mrs. Boedeker on having produced this magnificent fruit.

Robert Lee Dake visited friends in Belton and Rogers Sunday.

Bess Roberts of Marlin visited in Cameron Sunday.

Carter Brogdon of Texas A & M College spent the week end here with his parents.

Maxine Akers of Baylor University, Waco is spending the week end with her parents.

## DEBT FREE CONGREGATION PLAN SUNDAY PROGRAM

### BISHOP SMITH HERE SUNDAY FOR CEREMONY

An achievement worthy of Methodism will be featured here Sunday night when First Methodist Church in Cameron is formally dedicated.

The program results from a recent debt paying campaign led by the Pastor Rev. J. W. Mills. The property of First Methodist Church in Cameron is now free of debt and the church, in the words of Rev. Mills, is free "to enter upon an era of greater destiny for Christianity and service in the community."

Bishop A. Frank Smith, will dedicate the church in an address at 7:45 Sunday night, September 29th. Bishop Smith is Bishop of the Methodist Conference of Texas and President of the College of Bishops of the United Methodist churches of America.

Bishop Smith is a native Texan and a graduate of Southwestern University at Georgetown.

He will remain in Cameron until Monday to be at the opening session of the Women's Society of Christian Service in State Convention here at that time.

The convention will open at 2 p. m. and continue through Tuesday, October 1st. The meeting will be the first to be held by the Society and is to be known as the Charter Convention. More than 250 delegates are expected for the convention.

Women of the church will serve noon day meals Monday and Tuesday and supper on Tuesday evening. The church extends a cordial invitation to the public to attend the Dedication ceremonies as well as the convention of the Women's Society.

### MAYOR ACKNOWLEDGES EDINBURGH MESSAGE

The City of Cameron was sharing the international limelight today when a telegram was received from Edinburgh, Scotland saluting the towns folk.

The occasion was the naming of one of the 50 United States destroyers sold to Britain, after the City of Cameron.

The City of Cameron was named for Scotsman, Captain Ewen Cameron, a hero of the Texas revolution who lost his life before a firing squad in Mexico, being one of the ill fated Mier expedition.

Captain Cameron was riding the ranges around Victoria before the Texas revolution and joined up with the forces seeking to liberate Texas from Mexico.

The destroyer named for the City of Cameron is a gesture of friendship between the United States and Britain. The telegrams reproduced in this issue was signed by Cameron of Lochiel, Chief of Clan Cameron in Edinburgh, Scotland.

Mayor Charles C. Smith has replied to Cameron in a telegram dispatched early today.

In collaboration with Mayor Smith was City Attorney W. C. Wallace and a suitable reply has been made with full appreciation of the common ideals between the peoples of America and England in the present war to preserve freedom in Europe.

### Arthur Wilson is In Hospital From Wreck Injuries

Arthur Wilson of Yarrington is in the Cameron hospital with his throat slashed, jugular vein severed and larynx cut as result of an automobile crash near National Hall last Saturday afternoon.

A son, with Mr. Wilson at the time of the accident, was not seriously injured.

Charges of assault with an automobile have been filed against Marcelino Vargas in Justice Court here by Constable B. F. Bailey. The case was transferred to county court and Vargas is out under a \$500 bond.

Vargas and two other Mexicans were leaving Cameron going west to the National Hall. As they were turning the corner in the highway their car crashed the Wilson machine head on.

According to witnesses the Mexicans did not have time to right their car to avoid the collision. Wilson was thrown through the windshield head first. His son was driving the car.

Officers here have investigated the wreck and out of the investigation charges have been filed.

Mr. and Mrs. Pete Schutze of Burlington were visitors here Monday.

### CHURCH BUILDING THIRD BUILT BY METHODIST

The building of First Methodist Church to be dedicated free of debt Sunday, September 29th, is the third church building to be erected by the Cameron Methodist Church.

For many years services and Sunday School were held in the "Academy" a wooden building that stood on the site where the old Grammar grade school now stands. The late W. B. Streetman, merchant of Cameron, was Sunday School Superintendent, and his daughter, the late Mrs. Flerette Hicklin, was organist for the services.

Later a one story frame building was erected on the spot of ground just north of the present church. After the church grew in membership, this was torn down and a one story brick building erected with a heavy slate roof, which proved to be too heavy for the building, that cracked and was condemned.

The brick building was then razed and during that time a new parsonage had been built, which was later moved to its present site, making the lot vacant, and the present church building was erected on that site.

For several months the partially

## YOEMEN LINE HOLDS DOWN SCORE 12 TO 0

The Yoemen line staved off a worse defeat than the score indicates by its brilliant play against McGregor Friday night. The Yoemen back field failed to make any appreciable showing against the Bulldogs and in major part it was a battle between lines.

Here is the play by play report of the game:

### FIRST QUARTER

Captain Tindall for the Yoemen won the toss and elected to receive, defending the north goal. Jones of McGregor kicked off to Bell on the Yoemen 27 and he returned to the Yoemen 41. Bell made two yards through center. Hays punted on the second down, a bad kick and McGregor got the ball close up but returned only 5 yards and the Yoemen forward were in on the play. Medford made 1 yard and on the second down, Cook, star back of the game picked up 6 yards through guard. The Yoemen line held. Cook backed up for the punt but fumbled. He recovered and made 3 yards. It was third down, with fourth coming up as Nicholson went in for Cobb at half back. Cobb was injured. Cook kicked and the ball went out of bounds on the Yoemen 15 yard line.

The Bulldogs were not to be pushed around and Bell got only 1 yard at the line. Mays got off a good punt and sent the ball to the Bulldogs 43 yard line. Medford made four yards and on the next play Cook fumbled, but recovered to pick up 5 yards. Cook made it first down and on the first down again gained 2 yards. On a fake play Johnson made 8 yards and another first down. It looked bad for the Yoemen. Johnson made two yards at center and was stopped by Gooch and Dycus. Cook fumbled but on the next play Medford went around end for 6 yards with Bell making a stunning tackle. Cook went around left end for 4 but was stopped by Tindall. The Bulldogs were on the Yoemen goal by now. Medford made 8 and Cook made 1 through center. The Yoemen line held through three successive thrusts in a brilliant goal stand. Medford made 1 yard but Cook failed to gain as the ball went over to the Yoemen. Hays got off a poor kick for only 18 yards. Cook tried a pass which was incomplete. McGregor took time out. Another pass was incomplete. Medford fumbled. Aranda for the Yoemen was in fast and recovered as the quarter ended.

### SECOND QUARTER

Cobb replaced Nicholson and Hays got only a half yard around end. Hays picked up two yards at center.

Lefland replaced Johnson for McGregor with time out. Tindall kicked to the 26 and Cook made a 5 yard return, Salach making the tackle. Medford made 4 around end. Cook ousted to the Yoemen 28. Hays tried a pass but it was broken up by Medford. McGregor drew a five yard penalty for off sides. Hays made 6 yards and the Yoemen had their first down of the game. Hays made 2 yards at tackle but lost 5 yards on the next play. Shirley and Wheat broke through and smeared the play. Tindall then got off a good punt to the Bulldogs 33 yard line. Cook threw a thrilling 23 yard pass to Jones but the play was called back, both teams being offside. Medford made 5 yards. Cook could not gain as Walschak broke through to stop him. Medford kicked and Hays returned only 5 yards. Cameron called time out and Nicholson replaced Cobb. Hays tried a pass to Tindall but it was incomplete. Hays made 3 yards. Hays tried again but Tindall could not get the pass. Hays kicked to the 5 yard line. Cook for the Bulldogs went around end for 20 yards and was stopped by Hays. On the next play Cook tried a pass but Hays intercepted and ran it back 20 yards. Hays tried a pass to Tindall but it was incomplete. Hays went around the Bulldogs right end for 14 yards and a first down. Hays made two yards and Yoemen called time out. Hays made a yard and was stopped on the next play after a one foot gain. The Bulldogs were hammering the next play with McGregor recovering. McGregor kicked and the ball was dead on the Yoemen 32. Hays fumbled, but made two yards as the half ended. Score: Yoemen 0; Bulldogs 0.

### THIRD QUARTER

Salach kicked off for the Yoemen. Cook made two on a reverse and Medford raced 16 yards around end. Jones tried a hide out but was failed as the Yoemen broke through Dycus was hurt on the play. Cobb went in for Nicholson. Cook's pass to Medford was incomplete. Cook made 3 yards through guard. Bell and Tindall were both in on the tackle. The McGregor Bulldogs were battering the Yoemen line unmercifully. Cook quick kicked to the Yoemen 9. The Yoemen could not gain and drew a 5 yard penalty. Hays got off a good punt to mid field. Cook was stopped for no

gain as Bell rushed in for the tackle. Medford got 9 yards around end. Cobb was hurt on the play but stayed in the game. Medford made 9 and Johnson made 5 through tackle and first down. Medford was stopped by Walschak, a star of the game. On a lateral from McDonald to Medford the Bulldogs netted 7 yards and a first down. The ball was on the three and Medford went over the Yoemen hard. Bell fumbled on for the first score of the game. The Yoemen were battered to a pulp as the bruising backs pounded away. The kick was wide. Cunningham came in for Wheat. Medford punted and Hays returned to the 39. Hays got 6 yards through center. Salach was hurt but remained in the game. The ball was faked to Bell but there was no gain. Hays kicked to the 18 and Cook ran it back 5 yards. Gooch stopped Cook after a 3 yard gain through tackle. Medford failed to gain. McGregor drew a five yard penalty. Medford was stopped after a 2 yard gain as Tindall made the tackle. Cook punted to Hays who stumbled, making no gain as the quarter ended. Score: McGregor 6; Yoemen 0.

### FOURTH QUARTER

Tindall was thrown for a 6 yard loss. Tindall kicked to the 28. Medford made 13 yards and a first down. Cook passed to Jones who was a hide out near the sidelines. He took the pass over the goal. The kick was wide. The Bulldogs kicked off to the Yoemen and Tindall returned to the 40 yard line. Hays fumbled and the Yoemen were set back 10 yards. McGregor sent in almost a new line. Medford was stopped by Tindall after a 2 yard gain. The Bulldogs were penalized for 15 yards for holding. Bell stopped Medford after a 3 yard gain. McGregor drew a five yard penalty. Medford got 4 yards through tackle. Tindall stopped him. Medford fumbled, losing 5 yards. Cook kicked out of bound. Hays tried several passes, all were incomplete. Hays made 4 yards around end and then kicked out of bounds on the 25. Medford made one yard through guard with Graham and Bell in on the tackle. Medford tried several plays but was short of a first down and McGregor drew 5 yards for excessive time out in the huddle. Cook could make no gain. Cook kicked to the Yoemen 25 and Hays killed the ball. Hays made no gain as the game ended. Final score: McGregor 12; Yoemen 0.

## Oklahoma—'89... it was LAND that they were after!

The drama of Oklahoma, '89... it stands even today as a symbol of man's eternal hunger for the land. While those thousands stood at the line, waiting for the barrier to be lifted—for Congress had decreed Oklahoma open to settlers—there was but one thought in the minds of all: LAND—a place on which to live; soil for crops; LAND—its own. Not soft men and women, these "Sooners"... they got what they wanted.

## LAND IS WEALTH

The land rush of '89 did not see the quenching of man's thirst for land—the spirit of the pioneers is not dead. Men of foresight today are aware of the security of land investment. Experience the adventure of land ownership yourself!

## UNCLE SAM GIVEN SWIFT KICK BY JAPS

French Indo China today became the property of the Japanese empire.

The position of Japan in disturbing the status quo of Indo China is the same as the invasions which have occurred in Central Europe under Hitler and Mussolini.

The French government early today capitulated, unable to defend this rich Far Eastern possession.

The United States government which for almost six months has been warning Japan to stay out of Indo China and the Dutch East Indies was silent.

The United States is weak and unable to defend itself anywhere in the world, especially in the Far East. As an alternative the government of the United States is insincere in its foreign policy, not withstanding the fact that Secretary of State, Cordell Hull, reiterated the position of the United States today.

The government of Japan, of Nazi Germany, of Fascist Italy and Soviet Russia, care very little about what the United States thinks or does.

The Germans said the sinking of the British liner, loaded with Refugee children and charged against Nazi submarine warfare, is false and was manufactured by the British for gullible Americans.

The British retaliated with a charge that the sinking of the ship was a reprisal for recent bombing raids of the Germans between the RAF.

Adolf Hitler is quoted as saying, "There will be no further let up on the British."

Spain has reiterated her position of neutrality.

French troops in Indo China resisting a Japanese attack Sunday lead to the belief the army of Indo China might continue resisting.

The French government at Vichy today capitulated to all Japanese demands. Thus another rich possession falls into the hands of aggressors and the Democracies have suffered another defeat.

## Social Projects in County Cost \$29,625

Federal funds in the amount of \$26,438 have been spent in Milam county, the cities of Cameron and Rockdale during the past seven months for the following government activities: Two sewing rooms, school lunches, commodity distribution, nursery schools, adult education and records projects.

To the above amount \$3,187 in county and city funds have been spent making a total of \$29,625.

Recently the Commissioners Court voted to participate in the sewing room projects and the City of Cameron has renewed its pledge. Rockdale thus far has declined to make pledges.

All other projects included in this expenditure are to be continued also.

## The Santa Fe's 80th Birthday

The Santa Fe was born September 17, 1860, in a tiny, one-story brick building in Atchison, Kansas. There thirteen men met to form "The Atchison and Topeka Railroad Company," with Cyrus K. Holliday, founder of Topeka, Kansas, as its first President.

### Beginnings

Cyrus Holliday envisioned a great railroad that would supplant the slow and dangerous traffic over the old Santa Fe Trail—a railroad reaching deep into the prairies, piercing the mountains, ever serving and growing with the Southwest.

Those were stern, hard times on the raw frontier. The drought of 1860, the Civil War and the post-war chaos, prevented construction until November, 1868, when ground was broken at Topeka. On June 29, 1869, the first Santa Fe train was operated from Topeka to Carbondale. The line was extended to Emporia in August of 1870.

### Westward

Settlement quickened along the new right-of-way, as Santa Fe's land and immigration department pushed surveys west of Emporia. The rails reached Newton in July, 1871, and Hutchinson, Great Bend, Lamed, Dodge City and the Colorado line in 1872.

### San Diego, Galveston, Chicago

After 1876, many branch lines were constructed in Kansas. Settlers poured in. The main line was pro-

jected across New Mexico, Arizona and California. Colonization continued westward into those states and into Texas and Oklahoma. Santa Fe, New Mexico, was reached in 1890; San Diego, California, in 1895; Galveston, Texas, in 1896; and Chicago in 1897. Thousands of tourists followed the early settlers. The Santa Fe became the outlet for this innumerable products of a vast Southwestern area.

### Today

Today, with 41,000 employees and 13,414 miles of track, the Santa Fe directly serves Illinois, Iowa, Missouri, Kansas, Oklahoma, Texas, New Mexico, Colorado, Arizona and California.

### The Santa Fe and the Southwest

Down through the years the Santa Fe has endeavored to develop the Southwest—a great pioneer's dream of that swift, sure transportation without which no frontier, no matter how rich, can hope to fulfill its destiny. In that effort we have marched shoulder to shoulder with the people of the Southwest, in good times and bad, in friendship and understanding.

On our 80th birthday, we of the Santa Fe pledge a continuation of the service ideals of its founders.

## BRITISH SHATTERING NAZI BOMB ATTACKS

British anti air craft fire and British fighting planes today had driven back wave upon wave of German bombing planes seeking to break through and attack London.

News broadcasts said that waves of German bombers, numbering several hundred repeatedly flew to the attack and were scattered and driven back across the channel with great loss.

The Germans reported that Oxford had been bombed in retaliation for the British bombardment of Heidelberg.

Inside the Reich anger had reached the boiling point and Hitler was breathing threats of destruction against the British. Official German news agencies said vengeance will be swift and terrible and there will be no more mercy for England.

The British bombed Berlin for four and one-half hours Monday night setting many fires in the German capital and doing great damage in the Metropolitan area of the city.

Most terrific destruction yet wrought by British bombers was reported along the French coast. The Daily Herald heard a story of great loss of life among German soldiers during the recent storm along the French coast. This was unconfirmed.

Mystery still surrounded the attack on Dakar by British warships, an expedition led by General Charles de Gaulle.

The Daily Herald heard at noon that 120 French bombing planes had made an attack on Gibraltar in retaliation for the British attack on

the French port of Dakar. General de Gaulle was leading an expeditionary force to the French port, a place outlined by former Premier Paul Reynaud. The French refused to surrender and British warships opened fire.

The landing force sought to join French colonial troops already in revolt against the government of Vichy.

France was expected to wage war against Britain as the result of this attack. The first attack occurred on July 3rd when the British wiped out a French fleet at Oran off the Mediterranean coast.

The port of Dakar is far down the eastern coast of Africa and only 1500 miles from South America. There was no news regarding further developments.

An unconfirmed news cast said General de Gaulle had abandoned the expedition but there was no confirmation.

Hitler and Mussolini are reported to have agreed that no peace will be sought by negotiation and they will continue the war.

### Men May Still Get Their Preference in Branches of Army

advantage of selecting the branch of service they prefer and vacancies are announced in every branch of the service.

After October 15 when registration is over under the conscription bill, those who are drafted will be assigned to any branch of service the department desires. While young men may still select the branch of service they desire voluntary enlistments are very desirable.

All young men eligible for enlistment should get in touch with the recruiting officer in the federal building in Cameron at once so they may select their own branch of the service.

Milam county will receive credit in its quota for every man who enlists and no draft may be necessary on the first call if the present rate of enlistments continue.

### CONFERENCE TEAMS LOOK WEAK

Conference teams other than Rockdale looked weak Friday night.

Cameron lost to McGregor 12 to 0 and took a battering, especially in the last half.

Rosebud Panthers could do nothing better than get a tie with Lott 12 and 12, Georgetown and Round Rock battled to a scoreless tie.

Rockdale Tigers beat Caldwell 19 to 6. Caldwell won this district, bi-district and regional last year. Rockdale has 11 lettermen back and are conference favorites.

Lucille Stedman who is a student in Baylor University, Waco is spending the week end in Cameron with relatives and friends.

### Nazi Raiders Continue to Hit at Island With Little Effect

Flames caused by exploding British bombs swept for miles along the French coast between Calais and Boulogne early today as the Royal Air Force again pounded Germany's "invasion" concentrations there despite fierce resistance.

The blazing fight was plainly visible from the British shore. Nazi defenders sent streams of sharpnel and rockets aloft.

Meanwhile, nazi raiders kept up an intermittent attack on London and the industrial midlands. They withdrew briefly from London, then resumed the onslaught.

British censorship did not permit disclosure of exact raid periods, nor immediate estimates of the damage. But the raiders flew over London for hours, dropping flares in central areas before releasing their bombs.

Subway platforms far below the city's streets were filled with civilians but they were heartened by official assurance the RAF counter-bombings were rolling up heavy damage in Germany and German-held territory.

"Don't worry—they'll get it back," Prime Minister Winston Churchill re-torted when crowds standing on the wreckage of their bombed London homes demanded reprisals against Berlin.

British already have noted a slackening of nazi air attacks, because of bad flying weather.

British bombers rained explosives early yesterday on the aqueducts supporting the Dortmund-Ems canal over the river Ems near Mnnster, attacked other transportation facilities in western Germany, and dived on miles of nazi bases on the channel coast.

Mr. and Mrs. James Doyle and Mrs. James Morris of Tucson, Arizona, were week end guests in the home of Mr. and Mrs. Marshall A. Voyle. Mrs. Doyle is the daughter of Mr. and Mrs. Voyle and had not seen them for 32 years. They returned to Tucson early Tuesday morning.

### Thomas Bulldogs Begin Work Monday

The O. J. Thomas high school Bulldogs started their scrimmage sessions Monday, September 16, with a new coach and change in the line up.

The bulldog line will average approximately 185, when all players have reported and the backfield will average around 158. They are expected to play a game next week end, if so the line up will be as follows: Hoyle and Fifer at ends, Johnson and Whiteside as tackles, McFarland and Bowser as guards, and co-captain Johnson, center.

The backfield will be composed of Anderson, seat back of 1939, Captain Heard, national track star, and Reeves, a triple treat senior.

### IS UNCLE SAM BIG BLUFF? JAPS ASKING

The foreign policy of the United States as it relates to the status quo of Indo China and the Dutch Indies in the Far East was openly challenged today by Japan in accepting permission from France to enter the rich country of Indo China.

The government of the United States has repeatedly warned that the integrity of Indo China and the Dutch East Indies must be respected.

The first test of Roosevelt's foreign policy in the Far East is now to be made. What will the United States do?

If past representations are to be relied upon this country will take immediate steps to enforce the status quo in the Far East. If Mr. Roosevelt is bluffing and is without conviction as has so often been the case Japan will have grabbed off the richest province yet to fall to an aggressor nation.

There was no immediate reaction in Washington on the action of the Vichy government granting Japan right to move troops into Indo China.

A significant statement was issued by the French government. France could not obtain aid from either the United States or England and therefore feels no obligation to co-operate now for the maintenance of the status quo in the Far East. The war took a decided turn in

favor of the British today as the forces of the empire struck at Germany and Italy. The British navy in the Mediterranean had gone into action and the Royal Air Force had struck the hardest blow of the war at German invasion efforts along the French coast.

Post greetings tell of the celebration of Mrs. H. C. McKee celebrating her 80th birthday at the home of her daughter, Mrs. Gladys M. Watson, at their home on Lake Fort Worth. This was a surprise for Mrs. McKee and was the scene of over 50 people in attendance. Mrs. McKee for many years lived in Cameron where her many friends will be pleased to hear that she is well and hearty at this age.

J. W. Garner of Rockdale was a business visitor here Monday.

Joe Bill White of Texas A & M College was a week end visitor here.

### Japan Modifies Her Latest Demands

The government of the French Indo-China colony announced late last night that Japan had modified her demands for "limited" military facilities in Indo-China and concessions were being resumed with an agreement expected.

During the day, negotiations had broken down and the head of the Japanese military mission had said plainly that the world now could look for a "crisis."

Thus, for the second time since September 1st, an open split was averted at the last minute.

Major General Issaku Nishihara, head of the Japanese mission, who had announced he was leaving for home, remained in Hanoi with some of his staff.

Miss Alice Strzinek of Austin and a friend visited in Cameron this week end.

## Patriotic Vogue New Flower Departure Says Mrs. Lester Glass

Patriotic Symbols will inspire Novel Corsages this Winter, says Mrs. Lester Glass of Glass the Florist reporting on new Styles in fresh flower arrangements.

This winter fresh flower corsages and headdresses will be taking inspiration from America's patriotic symbols. Red and white carnations and blue cornflowers will be co-starred for buttonnieres as well as flower necklaces and bracelets. Star-shaped flower arrangements are being shown to wear with pompadour hair styles.

These new style trends were some of the novelties in fresh flower arrangements reported today by Mrs. Glass of Glass the Florist, who has just returned from the 31st annual convention of the Florists' Telegraph Delivery Association which was held at Cincinnati from September 9th to September 13th.

"Although the field for women's dress fashions has been upset by the elimination of Paris as a style center, the florist industry does not have the same problem," Mrs. Glass pointed out. "International styles in flower arrangements have been established regularly at the annual FTDA convention during the past generation.

"The FTDA fashion service has made it possible for members to wire flower greetings to any part of the civilized world and be sure of having them filled in accordance with the latest and smartest styles.

"In spite of war conditions, it is still possible to wire flower greet-

ings to every part of Europe and England. In some of the war-affected countries, flower gifts made possible by the FTDA service are almost the only gifts which can be delivered."

Among the patriotic flower arrangements shown in the FTDA convention fashion parade were twin lapel corsages of red and white roses and bracelets of red, white and blue blossoms. One of the most unusual arrangements were twin corsages of carnations attached to gilt chains, to wear pinned across their chest, just as admirals in full regalia wear their decorations.

"The pampadour vogue is sure to add to the popularity of wearing fresh flowers in the hair," Mrs. Glass said. Orchids, gardenias, violets and camellias are some of the beautiful blossoms that are being used for smart headdresses. Fresh flower necklaces and bracelets continue to be favorites with smart women. Matching bouquets of fresh blossoms to pin in milady's hat and bag are an ensemble idea sure to win the heart of any sophisticated belle.

"Juliet caps of fresh flowers for brides are another popular fashion for 1940-41. These flowers caps may be made of tiny roses, sweet-peas or dainty lillies. Halo arrangements of flowers matching the bridal bouquet are popular, too. Tiny clusters of fresh flowers may be used to dot the bridal veil also.

"Flower petal hats for the bridesmaids are another fashion that is as beautiful as it is smart. If period costumes are used, the bridesmaids may carry Colonial bouquets and wear pancake hats of fragrant rose petals tied on with ribbons. Plumed

effetes for the wedding bouquet is another fashion favorite. Petals of flowers are wired to resemble plumes and matching plumes in the hair are used to make a lovely ensemble."

### DELPHIANS MEET TUESDAY

The Cameron Delphian Chapter met Tuesday afternoon with members living in the Maysfield community, Miss Susie Butts, Mesdames Wm. and Clarence Freeman at the home of the latter. Subject for study was: "The Nation and Its Living Geography." Mrs. Lena Baskin spoke on "Soil Topography and Climate." "Our Greatest Resource and Deserts on the March" was given by Mrs. LaBertice Robertson. Mrs. John A. Smith, Sr., discussed a program on "Conservation." Guests other than members present were: Mrs. T. F. Criswell of Calvert, formerly of Cameron and Mrs. Foster of Calvert. Sandwiches, angel food cake and ice drink were served at the close of the afternoon's program. Next meeting will be held at the home of Mrs. Henry Hefley on October 1st.

### McCLAREN-MITCHAM

Miss Marguerite Mitcham of Buckholts, daughter of Mr. and Mrs. J. M. Mitcham of Cameron, became the bride of Lawrence McClaren, son of Mr. and Mrs. S. W. McClaren, Sr., of Marlow, at 6 p. m. Saturday, September 21st. Rev. W. O. Wright, pastor of the First Baptist Church of Marlin, performed the ceremony. For something old and borrowed the bride wore a bracelet belonging to her sister, Mrs. Frank Brown, Jr. For something blue she was gown in a soldier blue costume suit trimmed with squirrel, and wore wine accessories. Her corsage was of white sweetheart rosebuds. Miss Audrey Mitcham, Herbert Schroeder and Mr. and Mrs. Frank Brown, Jr., of Houston were the only attendants. Miss Mitcham is a graduate of Yoe High School and for the past two and one-half years has been employed as post office clerk at Buckholts. Mr. McClaren also is a graduate of Yoe High School and is engaged in farming at Marlow. After a short wedding trip, the couple will make their home in Cameron.

### SCHOOL OPENS

A number of schools opened in Milam county Monday. Some of them are as follows:

The Fairview near Thorndale opened, Mrs. Nancy Lee Vaughan and Mrs. Dean Styles are teachers for the this year. Seven grades will be taught.

Salem school opened with Mrs. Ivan Cleek and Miss Gertrude Boedeker as teachers. They will teach seven grades.

The Ad Hall school with W. G. Curry as principal opened this week. Nine grades will be taught.

### 42 LEISURE CLUB

Mrs. L. F. Slama was hostess to the 42 leisure club on Thursday afternoon and one visitor, Mrs. August Horstmann. Prizes were given to Mrs. Steve Marek, Jr., holding high, Mrs. Leo Stecher, second high. Traveling prize went to Mrs. H. L. Dakel and Mrs. Jim Crouch held lucky prize. Table cuts were given to Mesdames Bill Sell, Leo Laake and John Mayastik. The hostess used a color scheme of red, white and green throughout the decorations. She was assisted by Mesdames John Matyastik and Arnold Juergens in serving sandwiches, cake and punch. Place favors were mint chewing gum.

### PERSKY-GILBERT

John Lee Persky and Miss Mary Adelia Gilbert of Sharp were married Sunday morning at the home of Judge Jeff T. Kemp. Miss Gilbert is the daughter of Mr. and Mrs. Willie Gilbert of Sharp and Mr. Persky, the son of Mr. and Mrs. Arnold Persky also of Sharp. The couple will make their home in the Sharp community.

### TO CONTINUE OPERATION

Mrs. Gene Baldwin, district area supervisor for the PWA sewing rooms, and Miss Corinne Echols, assistant district supervisor, were visitors in Cameron Tuesday. They stated that the sewing room in Rockdale will be re-instated and work will begin Monday.

Mr. and Mrs. Bill Falkner of Burlington transacted business here Wednesday.

Mr. and Mrs. Ernest Dakel of Temple visited relatives here Sunday night.

Frank Wheeler of Burlington was a business visitor here Thursday.

## United States May Deal Straight From Shoulder With the Japanese

The United States government was believed today to be formulating a realistic policy in dealing with Japanese occupation of French Indo China.

Secretary of State Cordell Hull would make no statement beyond the denunciation he delivered on Monday when he learned of the Japanese invasion. Other sources close to the state department in Washington indicated that the United States may take some kind of action against Japan. It was stated the department will not consider any further protest to Japan.

The United States have been dealing with ruthless Japanese policy, using the same methods that made the nation the laughing stock of the world during the Wilson administration.

The American government seems fairly placed in the light of believing that a World Day of Prayer will keep the Japanese out of Indo China or the Dutch Indies or even the Philippine Islands.

It will be interesting to note how the Roosevelt foreign policy stands up under open defiance of a Pagan nation.

### 2.70 IS TOTAL RAINFALL

Rainfall in this vicinity Saturday was .58, on Monday 1.44 and on Tuesday night .68 of an inch. This makes a total of 2.70 inches for Cameron and vicinity since Saturday. Weather forecast for this locality is partly cloudy and cooler Wednesday and Thursday.

## Cotton House at Clarkson Burns

Fire at 8 p. m. Friday totally destroyed the John Matyastig cotton house at Clarkson.

Rosebud firmen were summoned but were unable to save the house because no water was available for fighting the fire.

According to information reaching the Daily Herald shortly before noon Saturday a bale of cotton was being removed from a wagon into the house by means of a sucker and in some unknown manner became ignited, supposedly by a match.

Twelve bales of cotton stored in the house were also destroyed. The Rosebud firmen prevented the gin and other surrounding buildings from burning. The loss was partially covered by insurance.

Mr. and Mrs. Adolph Krenck on Star Route were in Cameron Friday on business. They renewed their Herald for two years. Mr. Krenck is a weather prophet. He told the Herald it would rain Saturday and so the rain came, started falling around 6:30 a. m.

Mrs. Harry Moore spent the week end in Cameron with her husband. She is a resident of Waco.

Stone Garner of Texas University in Austin spent Sunday here with friends and relatives.
